And, you need to unpack only once!

Explore Cape Town, dramatically situated between Table Mountain and its beautiful harbor in one of the most stunning settings in the world. See the energetic mix of African, Indian and European cultures along Durban’s Golden Mile and the spectacular cliffs and waterfalls of East London, South Africa’s oldest city, and visit Maputo, the lively capital of Mozambique. Combined with the cruise and an exclusive Victoria Falls Pre-Cruise Option, you have the opportunity to visit up to three unique African nations. A Cape Town Post-Cruise Option is also offered.

You don’t want to miss this once-in-a-lifetime voyage. I encourage you to book now for the best opportunity to participate in the Free Air Program* as space is limited and is not guaranteed through the Early Booking Savings deadline.

A WORLD IN ONE COUNTRY

Within South Africa’s borders exists an incomparable geological diversity ranging from low-lying grasslands to expansive velds, a high inland plateau, mountainous escarpments, dense forests and lush swamplands. There are over 1,500 miles of coastline and a convergence of two oceans. Its seven major terrestrial biomes make it the only country to foster the entire floral kingdom and a world-class wine-producing region. With well over 850 species of birds, more than 200 species of mammals and 36 species of whales and dolphins, there is extraordinary wildlife to discover and encounter. Descendants of South Africa’s ancient ethnic peoples—the San, Xhosa, Tswana and Zulu—and Portuguese explorers and Dutch and British settlers form a cultural mélange today, speaking 11 languages and many inhabiting world-class cities with a democratic infrastructure. Its friendly peoples are eager to share their welcoming “umbutu” spirit with you.

Cape Town

The “Garden City” of South Africa is one of the most beautiful cities in the world, surrounded by a stunning harbor, the UNESCO World Heritage Cape Floral Kingdom (sustaining over 4,000 plant species), majestic Table Mountain National Park, the spectacular Garden Route and world-class Cape wine country. Founded by the Dutch East India Company as a supply station, Cape Town today is a vibrant cosmopolitan capital city of meticulously preserved Edwardian and Victorian buildings and outstanding examples of Cape Dutch architecture. Energetic peoples of diverse ancestry, a deep sense of history and rich cultural heritage combine to create

the unforgettable and inspirational ambience of the city, while its neighboring Robben Island, infamous for the political prison that held Nelson Mandela, is now a symbol of the triumph of the human spirit.

**Port Elizabeth**
The Portuguese-influenced city of Port Elizabeth signifies the east end of the UNESCO World Heritage Garden Route’s spectacular coastline and proudly displays its diverse cultural legacy. Vasco da Gama and other 15th-century Portuguese explorers were the first European visitors to arrive, which led to developing the lucrative trade between the East African coast and India. British settlers later followed in the early 1800s. This cosmopolitan city today is the gateway to exciting safari game-viewing options and offers world-class beaches with gentle surf from the Indian Ocean.

**Maputo, Mozambique**
The rich architectural heritage of Maputo, the attractive capital of Mozambique, features the elegant train station built in 1910 by Gustav Eiffel of Eiffel Tower fame, the unique Tunduru Gardens, the stunning, British-built Independence Square, the neoclassical City Hall and the French-Mozambican Cultural Center, a splendid and tastefully restored colonial building. The lively ambience of the city is on full display in Independence Square and the National Gallery of Art, housing works by the “Father of Mozambique Art,” Malangatana Ngwenya. Explore Maputo’s daily market for a glimpse of how the locals barter for goods and fresh foods that have been grown here since the land was inhabited by the ancient Ronga people.

Look for the powerful black rhinoceros during spectacular safari drives in Phinda Private Game Reserve, which allow you to experience the wonder of wildlife in their pristine natural environments.

East London, South Africa’s only river port, lies on the Nahoon and Buffalo rivers and is flanked by sweeping white beaches. Historically, the city has been home to native tribes and British, German and Dutch settlers, thus creating a multicultural city with diverse influences in its cuisine, music and architecture.
